Dear Sir/Madam

We recently decided to sell our property in Chesterfield Way, Orewa and approached Jenni Finlayson from your company to give us an appraisal on our property. We chose Jenni as we had noticed that she had sold a lot of properties in our area within our price range.

Jenni was extremely professional and honest throughout the entire process. Jenni put a marketing campaign in place and arranged for a professional photographer to take our photos which were put on the internet within days. We had several potential buyers through our home before any Open Homes or newspaper advertising was done. During this time Jenni kept us advised of who had been through our property and what they thought of the property and if they would be possible purchasers.

The "For Sale" sign went up on Friday and to our delight we had a phone call from Jenni on Saturday advising us she had an agreement for us to look at. On the Monday we accepted the agreement which Jenni had worked hard on to get the best price possible for our property.

Jenni made the sale of our property painless; we will definitely be using Jenni to market any other property that we want to sell. We will be recommending anyone wishing to sell their property to contact Jenni to market their property.

Thanks Jenni so much for your professional service – you were fantastic!

Regards
